HOW CAN A RESTAURANT APPLY SUSTAINABILITY IN PRACTICE?

At Colette, French restaurant in Bratislava, Slovakia, sustainability starts with ethical supplier choices:

- small family farms,
- businesses in harmony with nature,
- and organic wine producers the team knows personally.

In the kitchen, seasonal ingredients and menu planning help minimise waste.

Even unused parts of vegetables are repurposed creatively.

👉 **SUSTAINABILITY IS NOT
ONE ACTION, BUT A SYSTEM:**

**SOURCING, OPERATIONS, AND
DAILY DECISIONS.**
